Your Tranquil Parks Team

Who are Tranquil Parks?

We are a group of independent touring parks and campsites, most of which are family businesses. Every park in our group is unique, but we all share the same dedication to the upkeep of our parks and commitment to providing the best customer service we possibly can.

Established 25 years ago, Tranquil Parks is a membership organisation run by park owners who volunteer their time for the group.

What's new for 2025?

This year we are excited to introduce our new member Sunnyside Farm Caravan Park & Fishery near Shrewsbury in shropshire. This family-run site offers superior pitches and superb fishing.
